# NORTH DAKOTA WINTER SHOW

## VALLEY CITY, NORTH DAKOTA

### MARCH 4-13, 1977

**Arthur Huber, President**

I wish to extend a Sincere Welcome to our 40th Annual North Dakota Winter Show. The Greatest Agricultural Show in North Dakota.

This being our 40th year, the Show will be bigger than ever . . . .

The installation of New Bleachers and the addition of about 60 more commercial display spaces will add significantly to this year's Show.

The total livestock entries are holding up well, as compared to other years, and some division entries are at an all time high.

Our Winter Show Board and our Manager, along with the Women's Division, are eagerly preparing to make this -**THE 40TH** - The Biggest Show of All!

"We'll see you all at the Show."

# North Dakota Winter Shows and Production Credit Associations have many things in common.

Both got their start in the hard years of the 1930's — the PCAs in 1933, the Winter Shows in 1937.

Both were founded for the same purpose: to help North Dakota agriculture develop its great potential.

And both have worked consistently toward that goal for four decades.

We hope that you'll continue to support the Winter Shows in their promotion and education efforts in the interests of North Dakota agriculture.

We hope, too, that you'll keep us in mind as a source of constructive credit for agriculture. The best references we can give you are your neighbors who are PCA members. Ask them about us. Then see us when you need credit for farming and ranching.

**working for you**

The Dakota Farmer is continually striving to give you more and better service. We have enlarged our livestock field staff and brought you a wealth of practical experience through some of the most respected men in the livestock industry today.

Frank, Ted and John are ready at anytime to consult with you in all areas including breeding programs, herd and range management, merchandising methods and/or sale management. Their combined knowledge and experience is unequalled in the North Plains region. Put them to work for you. Anytime you have a question or problems arise, give anyone of these men a call, they will be more than glad to give any assistance they or our total organization can provide.

Service to our customers and readers has always been of primary importance to THE DAKOTA FARMER. Together, we can increase your profit potential while contributing to a better and stronger livestock industry.

1977  
Crops Show  
Distinguished Service Award  
Dedicated To

**Everett A. Tool**

The 1977 State Crops Show is dedicated posthumously to the late Everett A. Tool, Seed Commissioner of the North Dakota State Seed Department until his untimely death in the Fall of 1974.

Few in North Dakota have had the impact that he had on the Crops Show and the Crops Judging Contest at the North Dakota Winter Show. A look at the current rules and regulations governing 4-H and FFA judging contests will see plainly the handiwork of Everett A. Tool. He, more than anyone else, developed the original list of items to be considered in crops judging and their relative importance. He worked tirelessly with those working with youth in developing methods of teaching crops judging as well as needed teaching materials.

As long as there is a Crops Judging Contest and a Crops Show in North Dakota, the memory of Everett A. Tool will be fresh in the minds of those who knew and worked with him.

Tool devoted his entire life to the service of North Dakota. He was born and grew up out on a farm near Mandan. He graduated from North Dakota State University in 1941 with a major in Agricultural Education. He opened the Vocational Agriculture Department at Elgin and developed one of the strongest FFA Chapters in the State. Under his direction at Elgin, sixteen State Farmer degrees were earned and five of his students were State Officers. His teams were always strong competitors in Crops and Livestock Judging and his Chapter received the Gold Rating.

Everett was Assistant State Supervisor of Agricultural Education at NDSU and worked with the Veteran Farm Training Program. He started working for the State Seed Department in 1952.

His duties in the State Seed Department before becoming Commissioner in 1968 were: Seed Laboratory Supervisor, Seed Regulatory Inspector, Field Inspector, and Fieldman for the North Dakota Crop Improvement Association. Among his many contributions to agriculture was the development of methods for testing loose smut in barley seed by use of the embryo test so it became a practical, low cost, test that has saved North Dakota farmers thousands of dollars.

## Rules and Regulations for Exhibitors (All Divisions)

1. Any resident of North Dakota may be an exhibitor, but no person shall be permitted to enter more than one exhibit in any lot except lots 9 and 12, nor shall more than one member of the same family living on the same farm be permitted to enter directly in each open class lot except 9 and 12.
2. All exhibits must have been grown in the State of North Dakota in 1976 by the party entering the exhibit.
3. Entries will not be accepted after 10:00 A.M., Friday, March 4, and judging of open classes will begin at 1:00 P.M. on that date.
4. Exhibitors must state on the entry blank the class, lot number, and the kind and variety under which the entry is to be judged. The officials in charge of exhibits or the judges, reserve the right to make any corrections in class or lot numbers in case of errors. Entries winning first prize will be automatically entered in competition for special awards if such awards are offered for that particular entry.
5. The Crops Show management will not be responsible for loss, damage or mixture of any entry, but will exercise reasonable precaution at all times.
6. All samples must be properly labeled both on the outside and inside of the container. Entry blanks should accompany all samples and must be signed.
7. All samples become the property of the North Dakota Winter Show and will not be returned.
8. The following minimum quantities will be required for all entries in the open class, Seed Producers Display and 4-H and FFA Divisions:  
TWO QUARTS (1 Gal.) Wheat, Durum, Oats, Barley, Emmer, Rye, Peas, Beans and Shelled Corn.  
ONE QUART — Flax, grasses, small seeded legumes, millet and seeds of similar size.

HARD  
WORK  
MAKES  
A CHAMPION

A champion is the best, and it takes dedicated hard work to be the best. For over 90 years, North Dakota railroads have helped North Dakota agriculture perform as a "champion" by providing economical, dependable year-round service.

## NORTH DAKOTA RAILWAY LINES

BOX 938 — BISMARCK, NORTH DAKOTA

9. ENTRIES OF LESS THAN THE ABOVE MINIMUM REQUIREMENTS WILL NOT BE ELIGIBLE FOR AWARDS.

10. The management reserves the right, and the judges are authorized to reject any exhibits which in their opinion are deemed to be undesirable or not properly exhibited or represented. Prizes will not be awarded to unworthy samples.

11. In addition to the cash awards, ribbons will be awarded for all placings and the judges may award merit ribbons to entries which do not place.

## What the others are saying,

## we've already demonstrated.

- Better engine protection.
- Increased fuel economy.
- Better high-temperature performance.
- Fast sub-zero starts.
- Less oil consumption.
- A cleaner engine.
- 25,000-mile oil change.

Too good to be true? No. Because thousands of AMS/OIL users have already experienced these extraordinary performance features. AMS/OIL was first to commercially market an SAE 10W-40 synthetic engine oil to meet API Classification SE, which means AMS/OIL can be used in any car. So while the new synthetic lubricants you see today were still in the test lab, AMS/OIL was in the crankcases of cars and trucks just like yours. And when you're satisfied, that's the final test of a lubricant.

See your AMS/OIL dealer today!

## State FFA Division

The general rules and regulations apply to FFA entries: In addition, the following special rules will apply:

1. Active FFA members, either in or out of school, are eligible to exhibit grain which they have produced as part of their supervised occupational experience program in vocational agriculture during the previous year. First year members and other members who did not produce grain as part of their supervised occupational experience program may prepare and exhibit **one** sample of grain produced on an area farm. FFA Chapters also are eligible to exhibit grain grown as a chapter project during the previous year.
2. All entries should arrive not later than 10:00 P.M. on March 3rd. Instructors that do not register on the 3rd must have entries in by 8:00 A.M. on the 4th. Entries that cannot be brought in may be sent express collect before February 23rd. Address shipments to FFA DIVISION STATE CROPS SHOW, NORTH DAKOTA WINTER SHOW, VALLEY CITY, NORTH DAKOTA 58072.
3. All entries must be labeled to include Class and Lot Number, variety, and address of FFA member exhibiting and name and address of the FFA chapter of which the exhibitor is a member. Use the official FFA entry tag and sheet only and have it signed by the instructor.
4. All samples become the property of the North Dakota Winter Show and will not be returned.
5. All entries will be placed by groups (blue, red or white ribbon) according to merit. A champion exhibit will be selected in each lot from the blue ribbon group. Award money will be paid as follows: Blue, \$3.00; Red, \$2.00; White, \$1.00. Entries not suitable for display will be discarded.
6. Top blue ribbon entries automatically will be entered and judged in the open class competition.
7. Classes for FFA exhibitors are the same as those for open class exhibitors. Use the same CLASS and LOT number given in the Open Class premium list but identify as FFA DIVISION. Use the official entry tag on all FFA entries.

### Entry Deadline

**ALL ENTRIES MUST BE MAILED IN — POSTMARKED NO LATER THAN DECEMBER 5th, 1976.** Entry fees and certificates must accompany entries to make them official.

### Check-In and Check-Out

All halter, carcass steers must be in the Winter Show barns no later than Saturday, March 5th at 8:00 A.M. Backgrounded pens can arrive as late as Monday, 8:00 A.M., March 7th and will be released immediately upon completion of the Show Monday, except for the champions.

### Breed Clarification

Steers in both pen and halter divisions must be entered to show as straight bred or in one class for crossbreds and other breeds. Straight breeds must show typical breed characteristics including color pattern and be members of one of the six breeds presently participating in the Futurity Division of the Winter Show. These recognized breeds are: Polled Herefords, Charolais, Hereford, Angus, Shorthorn and Galloway. All policy to be enforced by Steer Show management.

### Combined Halter-Carcass Steer Show

This will be a terminal show and all steers will be slaughtered with the exception of the Junior Calf Class where it will be optional with the exhibitor to slaughter unless the calf wins Grand or Reserve Grand Champion, in which case the animal must also be slaughtered Monday, for carcass data evaluation. Data will be available Tuesday evening for the sale. All steers will be paraded for this class, so it is essential that they be trained to lead.

The sale will be a carcass sale instead of an on-hoof sale. Steers sold must grade, at least, average good with a limit of 25 to be offered. Steer Show management will see that going market price is offered for all carcasses not in the sale. Sale order will be based on combined score from on-hoof and carcass placings. Supreme Champion, Reserve Supreme Champion, Halter Champion and Carcass Champion must all sell.

# Combined Halter-Carcass Steer Show

The combined score will be determined by placing all live steers in order from top to bottom after having judged them by breeds. After determining the adjusted carcass score, the carcasses will also be placed from top score to bottom score. Then on a 50-50 basis, we will total their combined score which will give the final placing to be used for sale order. To illustrate, a steer placing first in carcass and 9th in the halter class will have a combined score of 10. The steer with the smallest combined number will score best. In case of a tie, it will be broken by using the best carcass score.

Halter-Carcass steers will be shown at 9:30 A.M. Sunday, March 6th and must be clean and presentable.

Provision is made for entries in the following classes:

Three (3) age classes listed below are provided for the six straight breeds listed under BREED CLARIFICATION and one class for Crossbreds and other breeds.

**Summer Yearling**—Born on or between May 1, 1975 and August 31, 1975. A steer entered as a summer yearling, but by mouthing is found to be too old, will not be allowed to be shown or sold at the Show. Minimum weight 1,100 pounds.

**Senior Calf**—Born on or between the dates of September 1, 1975 and December 31, 1975. Minimum weight 1,000 pounds.

**Junior Calf**—Born on or between January 1, 1976 and April 30, 1976. Minimum weight 800 pounds.

No animal can be shown twice in the Halter-Carcass Class. The steer must be owned and fed by the consignor, at least, 90 days prior to the Show.

The premiums offered shall be as follows in both Halter and Carcass Divisions for each of the above classes in the seven breed groups:

	1st	2nd	3rd	4th	5th
Summer Yearlings	\$25	20	15	10	5
Senior Calf	25	20	15	10	5
Junior Calf	25	20	15	10	5

Halter-Carcass Class steers will be weighed, tagged, and examined at 12 Noon, Saturday, March 5, 1977. Halter steers will use their first weight as the official recorded weight. A three percent shrink will be allowed for show purposes. EXAMPLE: If you enter a halter steer in the senior calf class according to the rules, it must weigh a minimum of 1,000 pounds. But, we realize that you may weigh the steer at home and it weighs 1,025 pounds, but by the time you get to Valley City, the steer may have shrunk to 980 pounds. The steer is still eligible for show because it is within the 3% allowed. In other words, a summer yearling can weigh 1,067 pounds; senior calf 970 pounds; and junior calf 776 pounds and still be eligible to show. However, this shrink is allowed for show purposes only. The steers will be sold on actual cold carcass weight as weighed on Tuesday morning and no shrink will be taken for sale purposes. Sifting will be done, if necessary, to control numbers in the seven breed groups in the Halter-Carcass Division.

## Champions by Breeds

Competition in the following classes is limited to first and second prize winners in the foregoing section for Polled Hereford, Charolais, Hereford, Angus, Shorthorn, Galloway and one class for Crossbreds and other breeds, but no second prize animal shall be entitled to rank higher than reserve in any champion class. No previous entry needed. Entries will be made by the ring stewards after breed premiums are awarded.

The champion will receive \$25.00 premium and the Reserve Champion will receive a ribbon in the above-named breeds.

**Acknowledgement**

The Board of Directors and management of the North Dakota Winter Show would like to take this opportunity to express their appreciation to the Livestock Exhibitors, Commercial Firms, Press, Radio, Television and all individuals for their assistance in helping stage this Annual Show.

We feel that without the help of these people it would be very difficult for us to carry out our obligations, which are to promote all North Dakota industry, the breeding and feeding of better livestock and the growing and selection of better strains and purer varieties of seed grain.

## Champion Halter-Carcass Steer

Competition for Grand and Reserve Champion is limited to the Grand and Reserve Champions of the breeds.

**GRAND CHAMPION:** Ribbon and prize money to be determined by number of entries.  
**RESERVE CHAMPION:** Ribbon and prize money to be determined by number of entries.

Special awards from State and National Breed Associations for Champion and Reserve Champion.

**GROUP OF THREE HALTER STEERS:** Must have been shown in individual halter classes and exhibited by one owner or family. An Over-all Champion group will be selected. Premium to be determined by number of entries. There is no entry fee for this class.

In judging the carcasses, the following quality/quantity index will be used: A carcass must grade, at least, low choice to be considered for Grand Champion, additional credit will be given up to a choice plus grade, using a weight range from 600 to 750 lbs.; a penalty adjustment of eight tenths of a point for every 20 pounds over or under the recommended weight range. Quality as indicated by marbling, amount of cover and rib eye area will be considered and the report to the exhibitor will include such data on each steer.

## Supreme Champion Halter-Carcass Steer

The Supreme Champion Halter-Carcass Steer will be determined on the basis of highest combined placing for both Halter and Carcass Divisions.

**CERTIFICATION**—All entries must be accompanied by a bona fide certificate, signed by the exhibitor and breeder of the steer, indicating the breed of sire and breeder. Month of birth\*should be indicated, also.

**MOUTHING**—All steers will be mouthed by competent veterinarians, and will be appropriately tagged at the Show.

**SUMMER YEARLINGS** may have the 2 center temporary incisor teeth replaced by permanent incisors but permanent incisors must not be in use. The remaining 6 temporary incisors must be in place and there may be no evidence of eruption of any permanent incisors other than the centers.

**SENIOR CALVES** must have all 8 temporary incisor teeth in place. There may be no evidence of eruption of any permanent incisors.

**JUNIOR CALVES** must have all 8 temporary incisors firmly in place. There may be no evidence of eruption of any permanent incisors.

**TAMPERING AND MISREPRESENTATION** — Any artificial means of removing or remedying the physical defects of conformation in exhibition cattle, such as cutting ties or lifting and filling under the skin will be considered as fraud and deception. All animals giving evidence of such treatment will be barred from competition at the North Dakota Winter Show and forfeit all awards. Misrepresentation of the age of an animal will be considered in the same light.

A tie will not be regarded as a defect unless it is of such nature as to mar or injure what would otherwise be a prime carcass. Steers must not show evidence of or remnants of testicles.

## Pen of Three (3) Backgrounded Steer Show

The North Dakota Winter Show provides classes for backgrounded feeder steers in the six breeds and one class for Crossbreds and other breeds as listed under BREED CLARIFICATION on previous pages. This gives the commercial cattle producer an opportunity to exhibit feeder cattle at this great show window event.

The Backgrounded Show provides an opportunity to advertise and gain recognition for top quality feeder cattle throughout North Dakota and the nation.

Backgrounded feeder steers will be shown by breed in three weight groups. Weight groups will be up to 700 lbs, from 701 to 800 lbs. and from 801 lbs. and up. The following judging procedure will be used: lightweight champions will be chosen by breed followed by an over-all lightweight champion. This procedure to be followed in each weight division. After all weight divisions are judged a breed champion will be picked for each breed. From the weight division champions, an over-all champion will be picked.

Pens will be judged by three judges who will not confer. Points will be earned on uniformity for the pen. All three judge's individual scores will be posted for each steer in the pen plus the average score for each pen.

The North Dakota Mutual Aid Corporation will pay \$500.00 in the Backgrounded Pen Division. Over-all weight division champion will receive \$100.00. Reserve Champion will receive \$50.00 and the remaining \$350.00 plus, approximately, \$500.00 of North Dakota Winter Show money will be pro-rated to various weight class premiums. This will depend on the number of entries in the class.

In addition to the pro-rated premiums and special breed association awards, the North Dakota Winter Show will pay \$50.00 to the Champion and \$25.00 to the Reserve Champion in each weight group.

Pen Steers which have been exhibited at this Show may be sold in the auction or be consigned by the exhibitor to any recognized and cooperating marketing agency for sale.

Bedding will not be allowed in the arena pens on Show day.

The Pen Show will start at 11:00 A.M. on Monday, March 7th and run continuously over noon hour and until completed. Therefore, it is necessary that all backgrounded steers be in their arena pens no later than 10:45 A.M. on Show day.

The Livestock Committee of the North Dakota Winter Show takes pride and pleasure in dedicating the Livestock Show to Henry D. Henke and Dave Hoflen.

If the Livestock Show has had any measure of success, and we believe it has, it is due to dedicated people such as these two. They have spent hours, days, weeks and years of their time to further the Livestock Show and to better the Livestock industry in general in North Dakota. This 1977 Livestock Show is hereby respectfully dedicated to these two outstanding individuals.

Henry D. Henke, formerly of Hannover, N.D., has been active in raising Angus cattle for 57 years. Reminiscing a bit, Henry remembers, that as a boy, he would see black cattle along the roadside and was determined to have a herd of his own some day. It wasn't until 1919 that he was able to buy his first Angus bull. The following spring he purchased his first registered female from John Dawson, one of the first Angus breeders in the State of North Dakota. The "Primrose" line of breeding was established by Henry from this foundation cow. In 1930, he originated the "Henke Eliminator" line. The Henke Angus Herd has become something of a fountain-head for many herds. This herd is not only known in this area, but bulls and females from here have gone as far east as Vermont and Maryland, and as far west as California and Washington.

Mr. Henke was the first to have won the coveted Kenneth McGregor Memorial Trophy for the Grand Champion Angus Bull exhibited at the North Dakota Winter Show at Valley City in 1957, and again in 1959 and 1964. Henry was named Mr. Aberdeen Angus at the 25th Anniversary of the North Dakota Winter show at Valley City in 1962. In 1969, he was named North Dakota Man of the Year in Agriculture by the Saddle and Sirloin Club at the North Dakota State University. He has been an ardent supporter of the North Dakota Winter Show, serving on the Futurity and Sales Committees. He also served as President and Director of the North Dakota Angus Association.

Henry has been more than a successful business man, rancher, Angus developer and livestock showman. He also made his time and talents available in 4-H Club work, in Church and in community affairs. W.J. Harrer, former director of the American Angus Association said, "Henry is a man honest, sincere, and upright in all his dealings. He believed in his cattle and had good reason to do so. The same kind of cattle he bred 30 years ago are still being accepted today". Former Governor Guy calls Henry a "master breeder, active in all aspects of improving the cattle industry not only in North Dakota, but throughout the nation."

Henry retired from ranching in 1963, and lives with his wife Alma at 117 East Central Avenue, Bismarck. He continues to make trips to the farm, now operated by his nephew Herbert Henke. Through much determination, perseverance and faith, Henry has enjoyed these many pleasant and profitable years in the Angus business. At this even-tide of life, Henry often looks back at the advice given to him by his older brother, having lost his father at the age of 16, and continues to follow this advice, "Don't look back, look straight ahead, trust in God and we shall endure."

Dave Hoflen . . . born 1906 . . . raised and still living in Rutland in southeastern North Dakota. He began their registered Hereford herd of 75 to 80 cows in 1937, late in the years of drought and depression working with his brothers. Brother Otto is another beloved supporter of the Winter Show. They did much of their showing, advertising and marketing through the Show. When asked about their formula for success, Dave replied: "Win without bragging, lose without complaining".

Always respected by other breeders, their 1949 Winter Show Champion, HH Advance Domino 28th, pictured above with Miss Bebe Shoppe, Miss America presenting the ribbon; sold for \$2,050 to Patterson Land Co. He now appears often in the pedigree of the dam whenever the GREAT "D-4" is advertised around the world.

Long time board member of the North Dakota Hereford Association, and its president in 1949, his sage advice was appreciated by all who served with him during his some 25 years on the Winter Show Futurity Committee and Sale Committee. He took several turns as president of both. He helped plan and develop this great show-window of North Dakota products and was justifiably proud to learn that the final payment was being made on the gigantic Winter Show Building he helped to create.

The Hoflen herd is still in existence, having been purchased in 1972 by brother Ted's son, Andy.

Dave was chosen 1975 North Dakota Hereford Man of the Year. In making the presentation, President Sackman commented: "Dave's contribution of wisdom during times of difficult decisions has made him loved by all who know him".

The North Dakota Bull and Heifer Futurity continues to be a powerful stimulus to breed improvement. The active participation of large and small breeders of each of the six breeds from all parts of the state indicate the acceptance of this show window of the North Dakota Cattle Industry.

The record, listed below, indicates the balance of the breeds that has been maintained, during the years. This year's entries are consigned by 137 breeders.

# 1977 Judges

Mark Frederickson, Starbuck, Minnesota, will judge the Polled Hereford cattle. Mr Frederickson graduated from Murdock High School in 1967, and from University of Minnesota, St. Paul with a degree in Animal Science and Ag. Economics in 1971. Mark and his wife Mary Kay are presently operating a Registered Polled Hereford herd at Starbuck, Minnesota.

Arnold Wienk, purebred Charolais breeder, Lake Preston, SD, will judge the Charolais show again this year. Mr. Wienk was born at Lake Preston, and graduated from Lake Preston High School. He serves as director of area 5 for the National Charolais Ass'n., South Dakota Charolais Ass'n., and Cattle Reproduction, Inc. Arnold has judged several shows, received Outstanding Young Farmer Award, Who's Who in Young Men of America and Soil and Moisture Conservation Award. He and his wife have five daughters.

Earl Jensen, Jensen Bros. Herefords, Circle Montana, will place the Horned Herefords. Mr. Jensen has spent his lifetime in ranching and as a partner in the Jensen Bros. Hereford Ranch, a family operation, since the 1950's. The Jensens' have registered and commercial Herefords with the registered herd started in 1947. Earl is the past president of the Montana Hereford Ass'n. He has judged some of the major Hereford shows in recent years.

Harold Arendt, A&J Cattle Co., Highmore, South Dakota, will judge the Angus Cattle. Mr. Arendt was born and raised on a livestock farm in North Dakota. He was Herdsman and Ranch Manager for 27 years before going into business for himself with Clayton Jennings as A&J Cattle Co. Mr. Arendt is a judge of all breeds of livestock and steers. His assignments for 1976-77 show season are: Michigan, Arkansas, Rapid City, SD, Billings, Mt., Bozeman, Mt., Denver National Western, Arizona National at Phoenix, Jr. Grand National at San Francisco, April 1976, and the Cow Palace Grand National at San Francisco, October, 1976. His sons have shown several National Champion steers.

Bob Gordon, Gordon Bros. Shorthorns, Souris Manitoba, Canada will judge the Shorthorns and Polled Shorthorns. Mr. Gordon was born at Oak Lake, Manitoba, he was active in 4-H and in 1962, he and his brother Wayne started their own Shorthorn herd. In 1963, they purchased T.P.S. Coronet Leader 21 which helped change the Shorthorn breed. They have shown their Shorthorns at nearly every major show in No. America. They showed a Champion at Chicago and had champion female at Denver three years in a row. They have sold Shorthorns into nearly every state and province and were the breeder of the "World Record Price Shorthorn Bull". They show steers extensively also and had the Champion at Regina in 1975.

LaDon J. Johnson, Extension Animal Husbandman, North Dakota State University will judge the Galloway Show. Dr. Johnson was born and raised at Grandin, ND, graduated from NDSU and was a member of Junior and Senior Livestock Judging teams. He received his M.S. in Animal Science from NDSU in 1957, his Ph.D. in Ruminant Nutrition and Physiology from Ohio State University in 1965. He served two years in the U.S. Army, two years as Assistant County Agent at LaMoure, ND, and has been a member of the Extension Animal Science Staff, NDSU, since 1966.

# North Dakota

## Junior Futurity

### Purposes of the Junior Futurity

1. To encourage farm boys and girls so inclined to establish the foundation for a future purebred herd.
2. To give such boys and girls competent assistance in securing high quality heifer calves.
3. To provide an incentive to do a good job with the calves, to secure the advantages of friendly competition, and to furnish inspiration to members and show spectators by providing for a state-wide showing of the calves.
4. To interest county extension agents, agricultural instructors, livestock breeders and others in helping members with care, feeding and breeding problems.
5. To promote better-paying cattle production in North Dakota.

### 1977 Rules and Regulations

1. Membership in the Junior Futurity is open to 4-H Club members and FFA members enrolled in beef breeding projects in North Dakota. To be eligible, a member must be nine years of age and not have passed his 19th birthday.
  - a. When a Junior Futurity member has won a Grand or Reserve Champion award with any breed twice, the member is no longer eligible to show in the Junior Futurity, except the progeny from previous Junior Futurity heifers, but is encouraged to show in the Senior Futurity.
  - b. Junior Futurity member must show his own animal unless he has received prior approval from the Junior Futurity managers to use a substitute to show his animal.
2. To be eligible for exhibition in the Junior Futurity state show, the animal must:
  - a. Be a purebred animal (male or female) and must have been bred by the member or by a North Dakota breeder or purchased in the dam.
  - b. Be in possession of the member by December 1, 1976.
  - c. Hereford, Shorthorn, Angus, Polled Hereford, Galloway must have been born on or before April 30, 1976 and on or after March 1, 1975.
3. Progeny from Junior Futurity heifers of past years may be exhibited.
  - a. Female progeny may be entered in the regular Junior Futurity classes for heifers.
  - b. Male progeny may be entered in a Jr. Futurity bull class. To be eligible they must meet age requirements the same as stated in item 2c.
4. Each Jr. Futurity exhibitor may enter two animals (one heifer and one bull) with provisions to enter additional animals provided they are progeny from previously shown Junior Futurity animals.
5. All entries in the Junior Futurity classes must be accompanied by an entry fee of \$1.00. FFA entries must be approved and signed by the Vocational Agriculture Instructor by December 1, 1976.  
4-H entries must be approved and signed by the County Extension Agent by December 1, 1976.
6. Registration papers showing that ownership of entry is recorded in the member's name only, are to be presented by members to the Junior Futurity managers, prior to the Junior Futurity.
7. Members are expected to care for, feed and water, fit and show their own calves and to keep satisfactory project records.

# Pictures For Blue Ribbon Winners

The North Dakota Futurity and the North Dakota Winter Show Sales, will have a professional livestock photographer on hand to take pictures of the calves and members placing in the blue ribbon group. These pictures will be suitably framed and inscribed with the name of the winner and the record of his blue ribbon placing. Pictures will be taken immediately following presentation of ribbons.

## Group Stall Award

A plaque and cash award will be presented to the Junior Breed Association that has the best appearing stall area. The North Dakota Winter Show will sponsor the plaque and also award a ribbon to each individual exhibitor within the winning group. Each State Breed Association presented in the Junior Futurity Show will contribute \$10 to be awarded to the winning Junior Association. Judging will take place between Saturday noon and Tuesday noon and will be based on daily cooperation, neatness, decoration, cleanliness and grooming.

## Judging Procedure

Animals are to be judged in their respective classes and lined up according to their placing.

In addition, to make the event more educational for the young exhibitors, the judge of each breed will be requested to designate (1) calves considered highly desirable for foundation animals in the establishment of purebred herds; (2) calves somewhat less desirable for foundation animals yet satisfactory for the most part; (3) calves more or less unsatisfactory for foundation animals.

The judge will select from group number one animals that he feels will make a creditable showing in the Senior Futurity. These calves win the right to show in their respective age groups of the Senior Futurity without payment of entry fees. The owners of these calves are eligible to win any premium money offered in the Senior Futurity.

The judge will designate the Grand and Reserve Champion female in each breed and the Grand Champion bull in each breed.

Premiums will be paid on a graduated basis.

## Junior Futurity Premiums

A total of \$500 is made available by the North Dakota Winter Show for cash premiums in the Junior Futurity. This purse is split among all exhibitors in varying amounts depending upon placing won. In addition, each exhibitor wins a ribbon. The amount of the individual cash premium hinges on the number of animals placing in each group. Thus, until the judging is complete, the individual awards cannot be determined by the Futurity managers.

## Union Stockyards Livestock Marketing Agencies Plaques

Beautiful plaques will be awarded to Junior Futurity members having the Grand and Reserve Champion female in each breed and the Grand Champion bull in each breed. Only purple ribbon winners will be eligible. These plaques are being awarded by the Union Stockyards Company and the commission firms at West Fargo, namely: Central Livestock Association, Dakota Livestock Commission Company, Farmers Union Marketing Association, McDonald Livestock Commission Company, Montgomery & Sons.

## AGRISERUM

Farmers, ranchers, nurserymen, and truck gardeners: You are working with Nature. Let's not fight or replace Nature; join it with AGRISERUM and reap the benefits. Let's aid Nature in providing plant nutrients with AGRISERUM. It's easy and costs only about \$1.00 to \$5.00 per acre.

AGRISERUM adds to and aids the soil bacteria, which encourages more life in the soil. A livelier, healthier soil is conducive to larger and finer root systems. The better the roots/the better the plant/the better the crop.

For the past 30 years, AGRISERUM has worked successfully, and in the last 12 years, since going commercial, has gained acceptance in all 48 and going beyond our borders.

# Terms and Conditions

Each animal will be sold to highest bidder without reserve. Cow with calf at foot regarded as a single unit, unless otherwise announced.

Any disputes as to bids will be settled by the auctioneer declaring all bids off and reselling the animal.

Each animal as soon as sold will be at the purchaser's risk, but will not be delivered until settlement has been made.

Animals sold will be fed and cared for free of charge until the day after the sale — but at the purchaser's risk and will be turned over to the purchaser or loaded on cars for shipment as he may direct.

## TERMS—CASH—Unless otherwise arranged prior to the sale.

With cattle of this age limit, it is considered that the purchase is more responsible for their future usefulness than the breeder and that a breeder is relieved of all responsibility after a sale is completed. However, every possible precaution is taken to eliminate individuals with any known defects, and to assure that bred females are with calf. The entire offering will be sold at the halter and any further guarantee will be between buyer and seller.

The following guarantee is recommended for the buyer and seller:

1. All claims should be submitted in writing to the seller within six months.
2. In the case of bulls, the buyer shall give the bull an adequate trial and have him inspected by a veterinarian at buyer's expense.
3. Seller shall have privilege of trying bull after his return before making any adjustments.
4. Any guarantee is void if there is evidence of improper management in caring for the animal.
5. Seller will have the privilege of replacing with an animal of similar quality and breeding or refunding the purchase price of the animal.
6. The above guarantee is between the individual consignors and the buyer of each lot. The North Dakota Hereford Association assumes no liability, legal or otherwise, but will help in every way possible to make adjustments should it become necessary.

All cattle entered have been tested for Tuberculosis and Brucellosis. Cattle purchased by out-of-state buyers will have health certificates to meet requirements.

MAIL ORDERS — For those unable to attend, buying instructions may be sent to Bert Sackman, Streeter, Sale Manager, or other representatives.

## Please Note:

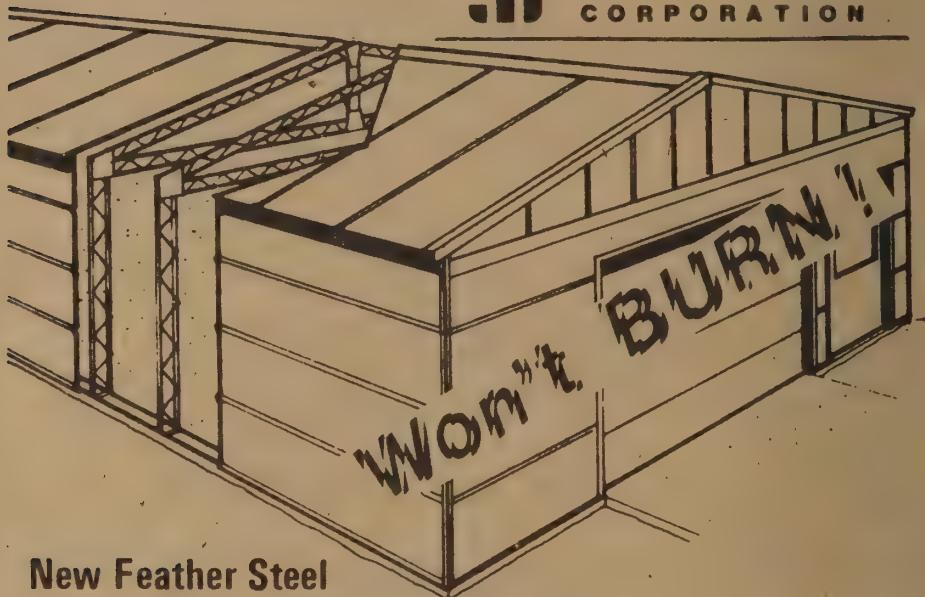

"Upon recommendation by the North Dakota Beef Breed Associations, it was agreed by the North Dakota Winter Show to establish a price floor of \$500.00 for bulls, \$400.00 for 1976 bull calves, \$400.00 for bred heifers and \$350.00 for open heifers in recognition of the high quality breeding cattle to be sold at the 1977 Winter Show. Should there be animals in the sale that do not merit this price, the North Dakota Beef Breed Associations and the North Dakota Winter Show do not wish these animals to go to any producer's herd."

## ADVANTAGES . . .

1. All steel — non-combustible (won't burn).
2. Assembles and erects easily — like a big boy's erector set.
3. Ships and handles easily in truss component kits.
4. Requires minimum construction tools and equipment.
5. Provides straight wall and flat ceiling for ease of lining and insulating.
6. Engineered for flexible frame spacing to meet loading requirements — pre-engineered for economy.

At Melroe, putting it all together means solving problems. Agricultural and industrial problems. Our company began with one product designed to solve problems for our friends and neighbors—right here in North Dakota. And, as our line grew we kept trying to build certain qualities into our products which would benefit our customers.

Versatility is one of these qualities. We want our products to be able to perform more than one useful function. That saves our customers the cost of buying a number of "one-job" pieces of equipment.

Durability is another. We want our products to last. A good machine is good only as long

as it's working well. We think our reputation for reliability has a lot to do with the fact that our labor force is almost entirely North Dakota bred and born. North Dakotans are known for doing a job right . . . the first time. And if there's a maintenance problem, our service department is there to help.

Melroe is still trying to "put it all together" to help solve equipment problems for North Dakotans. But because our markets have grown rapidly, Melroe equipment can now be found almost anywhere in the world, and that's providing us with a whole new list of materials handling and farm production solutions to work on.

## Terms and Conditions

Each animal will be sold to the highest bidder without reserve. Any dispute as to bids will be settled by the auctioneer declaring all bids off and reselling the animal.

Each animal, as soon as sold, will be at purchaser's risk but will not be delivered until settlement has been made.

Terms: Cash, unless otherwise arranged prior to the sale.

The cattle offered for sale are sold under terms and guarantees recommended by the American Polled Hereford Association with references to health, freedom from defects, reproductive unsoundness, and freedom from specific genetic unsoundness. The recommended refunds or adjustments will be made in case animals fail to live up to seller's guarantee.

All guarantees will be between seller and buyer.

## Please Note:

"Upon recommendation by the North Dakota Beef Breed Associations, it was agreed by the North Dakota Winter Show to establish a price floor of \$500.00 for bulls, \$400.00 for 1976 bull calves, \$400.00 for bred heifers and \$350.00 for open heifers in recognition of the high quality breeding cattle to be sold at the 1977 Winter Show. Should there be animals in the sale that do not merit this price, the North Dakota Beef Breed Associations and the North Dakota Winter Show do not wish these animals to go to any producer's herd."

## Please Note:

"Upon recommendation by the North Dakota Beef Breed Associations, it was agreed by the North Dakota Winter Show to establish a price floor of \$500.00 for bulls, \$400.00 for 1976 bull calves, \$400.00 for bred heifers and \$350.00 for open heifers in recognition of the high quality breeding cattle to be sold at the 1977 Winter Show. Should there be animals in the sale that do not merit this price, the North Dakota Beef Breed Associations and the North Dakota Winter Show do not wish these animals to go to any producer's herd."

## Standard Guarantee

### Standard Guarantee Recommended by the American Shorthorn Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided that are not allowed to serve when under 14 months of age, or allowed to run with the herd under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase or by the time the bull is 20 months of age if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or sale in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open but settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam as well as service date.

#### PLEASE NOTE:

"Upon recommendation by the North Dakota Beef Breed Associations, it was agreed by the North Dakota winter Show to establish a price floor of \$500.00 for bulls, \$400.00 for 1976 bull calves, \$400.00 for bred heifers and \$350.00 for open heifers in recognition of the high quality breeding cattle to be sold at the 1977 Winter Show. Should there be animals in the sale that do not merit this price, the North Dakota Beef Breed Associations and the North Dakota Winter Show do not wish these animals to go to any producer's herd."

Footnote: This bred heifer had been slated for our own herd since she was calved. Only when we decided to put an extreme top female in this sale did we even think of selling her. I believe she has as much breeding potential as anything we have purchased or sold. She sells bred to Poundmaker Black Bard 10'75, a real top Canadian bull. I really believe that the new owner of this heifer will be getting a top end producer that he will not part with.

**AMERICAN ANGUS ASSOCIATION****MINIMUM TERMS AND CONDITIONS  
SUGGESTED FOR DISPERSION SALES**

Effective October 20, 1975

**BIDDING**

Each animal offered for sale will be sold to the highest bidder. Each bid shall constitute an offer to purchase and the final bid shall constitute a binding contract between Buyer and Seller. The person in charge will settle any disputes as to bids and his decision on such matters shall be final. Bids by phone, mail or wire will be accepted and confidentially handled by sales personnel.

**ANNOUNCEMENTS**

Any changes from information of any kind in this catalog will be announced from the auction box and such announcements shall take precedence.

**TERMS**

Terms of the sale are cash, unless satisfactory credit arrangements have been established. All settlements are to be made with the clerks of the sale immediately following the conclusion of the sale and before any cattle will be released from the sale premises.

**HEALTH**

All animals are eligible for interstate shipment, except as otherwise announced, and health papers will be furnished for each animal of age as required.

**IDENTIFICATION**

All animals have been checked for readable tattoos, and each such identification corresponds to the registration certificate.

In those cases where a nickname is used, it shall be accompanied by the official registered name and number of the animal.

**REGISTRATION CERTIFICATES**

A certificate of registry and transfer will be furnished for each animal at no cost to the Buyer within forty-five (45) days after settlement of animals purchased.

**HANDLING AND RISK**

Each animal will be at Purchaser's risk as soon as sold, but loading assistance will be provided after settlement has been made. Each animal will be fed, watered, and cared for at Purchaser's risk for a reasonable time (minimum forty-eight (48) hours) to allow for removal to Purchaser's farm.

**A. I. SERVICE CERTIFICATES**

A. I. Service Certificates shall be furnished by the Seller, at no cost to the Buyer, for all females bred artificially to bulls not owned by the Seller.

**BREEDING GUARANTEE**

This is a dispersion sale, and all animals must sell with no further breeding guarantee; however, all bulls over eighteen (18) months of age will carry a fertility test, and all females of breeding age that have been served by A. I. or naturally for more than sixty (60) days will be pregnancy checked. A veterinarian certificate of fertility and pregnancy will be furnished to the Purchaser upon request.

**RIGHTS AND OBLIGATIONS**

In the event of default in any part of the Terms and Conditions covering this sale by either the Buyer or the Seller, it shall be the responsibility of the Buyer, or the Seller, to instigate any action necessary to bring about a fair settlement of any claims arising from this sale and to be responsible for any and all costs involved therein. The sale manager assumes no responsibility, legal or otherwise, for the failure of either Seller or Buyer to fulfill their obligations.

All persons who attend the sale do so at their own risk. Neither the Owners, the sale manager, nor any other person connected with the sale, assumes any liability, legal or otherwise.

## Ladies Lead Class

### Rules

Class A—Girls 14-21 years of age, to lead a ewe at halter.

The girl must reside in North Dakota and either she or her parents must own sheep. Her outer garment must be made of wool or a blend containing at least 75% wool.

#### Premium:

1st—\$40.00

2nd—\$30.00

3rd—\$20.00

4th—\$10.00

All ewes must be led at halter. No show sticks permitted, nor can one use hands or feet in positioning the sheep's legs.

DARREL ANDERSON, Jackson, Minnesota

Darrel Anderson is no stranger to the Valley City Winter Show, as he judged here previously and is back because of popular demand. Darrel, a former shepherd at SDSU, now is a progressive Suffolk breeder and a consumer relations man with the REA at Jackson.

# Sale Terms and Conditions

1. Each animal will be sold to the highest bidder without reserve.
2. All animals must be paid for in cash on the day of the sale.
3. Animals are at owners risk as soon as purchased in the sale-ring but will be cared for, for a reasonable length of time.
4. All animals will be transferred on the books of the respective Registry Associations in the name of the purchaser and without cost to him.
5. Buyers may obtain a copy of the health certificate at no cost to them from the clerk before the animals are removed from the sale barn.
6. Breeding dates given in the catalog for gilts, or as announced from the block are as accurate as the owners can provide. Claims referring to animals proving not to have been bred must be filed with the seller within one week following stated farrowing date. Gilts showing with pig in the ring are sold without recourse.
7. The North Dakota Swine Exhibitors Association and the Winter Show act as agents for buyer and seller only and accept no responsibility for the animals.
8. All gilts must be Brucellosis tested.
9. All gilts sold meet all North Dakota Livestock sanitation rules and all have a health certificate, allowing them to be shipped out of state.
10. Any gilt which farrows during the show will forfeit all premium money and will be disqualified from the sale.
11. Mail order bids may be sent to the Sale Committee Manager, Valley City, ND.
12. Gate orders will be issued for all animals purchased.
